

Ice Rink

LMCA operates an olympic size outdoor ice rink- set up with lines, 2 goals , high netting, full floodlights that can be accessed 7am-9am, 4pm-11.00 pm daily. Rink has attached a warm up area with wood stove, benches and 2 heated change rooms – firewood is provided outside of rink. Outhouse is available up front.

Rink is cleared and prepared with our Zamboni on a regular base throughout week- depending on snowfall and temperatures. While we are proud of our new Zamboni and will provide the best service we are restricted by staff availability and weather.
