The agenda was adopted as circulated

3. Follow up from previous meeting

There was no follow up required from the previous meeting

4. Recreation, Maintenance and House Management Reports

These were circulated prior to the meeting and no issues or questions arose.

5. New Business

Agnes still needs volunteers to help with Canada Day on July 1<sup>st</sup> and the circus on August 10<sup>th</sup>.

Sharon to write and thank the fellow who made a generous \$500 donation to LMCA.

Someone is cutting trees at the golf course, some of which are quite large. We reported this in to YG Forestry (and attached some photos). We also told them that LMCA was not doing the tree cutting!

Bob Sharp said he has students using GPS to track caribou to see whether they move through lichen stands in Fire Smarted areas or if they are comfortable enough to feed in these areas. The students will be doing this for a few years and so far, the data is interesting.
