

Mt Lorne Ski Club 2016/17

LMCA is pleased to offer another season of Mt Lorne Ski Club. The program is designed to be fun. Each session will include group activities, games and trail skiing followed by a small snack in the community centre. Children will be divided into groups based on age and ski ability to help make sessions a positive experience for everyone. Groups may vary from day to day due to availability of coaches and the activities planned. Parents take turns providing the weekly snack.
